SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F..R. §1.97(d)

Sir:

On February 14, 2002, a Notice of Allowance was mailed to the undersigned.

Without having knowledge of the Notice of Allowance, on October 30, 2003, I mailed an Information Disclosure Statement to the Patent and Trademark Office identifying a single reference WO 98/11469.

I just became aware of the Notice of Allowance, and that the Notice of Allowance preceded the filing of the Information Disclosure Statement.

Consequently, this is a resubmission of the Information Disclosure Statement, submitting the same reference. However, as required by 37 C.F.R. §1.197(d), the undersigned states that the International Publication reference, which is the information contained in the Information Disclosure Statement previously submitted and here resubmitted, was first cited in the Written Opinion of the International Preliminary Examining Authority in a communication mailed 16 September 2003. See page 4 thereof, which certifies the International Publication here submitted as a new citation. I hereby verify that this item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent
